Subject: Endorsement Survey for Proposed Learning Outcomes on Philosophy
Critical Thinking and Introduction to Logic TAGs.

Background:

In early 2019 the Ohio Articulation and Transfer Network (OATN) held a discussion with the Ohio Guaranteed Transfer Pathway (OGTP) panel in the discipline of Philosophy to explore transfer pathways. During discussion, the OGTP Philosophy panel recommended the creation of additional Philosophy TAGs. The Ohio Articulation and Transfer Network (OATN) arranged for Philosophy TAG panel content matter experts to meet and discuss updates within the Philosophy TAG. Initial meetings lead to the dissemination of a statewide research survey to identify department teachings, pre-requisites, and collection of syllabi. These efforts prompted the Philosophy TAG panel to further review the need for additional TAGs.

After some discussion, the TAG faculty panel has recommended creation of additional Philosophy TAGs in Critical Thinking and Introduction to Logic. Each proposed course will equate to 3 credit hours.

What we need from you:

Please arrange to have an appropriate faculty at your institution complete the survey as soon as possible **but no later than Friday, December 6, 2019**. We are collecting **only one representative** response per institution.

The survey asks your institution if they agrees or disagrees with the proposed Philosophy course learning outcomes. You will find a copy of the proposed TAG course learning outcomes attached as reference.

The online survey is available through the following link: <https://www.surveymonkey.com/r/R7QBQDC>

Important Note: You must complete the survey via the link provided above. The attached PDF file is for reference only. **Do not use the PDF version to respond to the survey.**
